

October 2025

TC Cougar Volleyball

Booster Club

tchsvolleyball.com

This month we wrapped up our 2025-2026 season. We finished 6th place in District 12-5A. We had a busy month full of wins, memories and community service projects. We also celebrated Pink Out, Homecoming 2025 and finished 1st place in the Homecoming Float Competition. We will truly miss our Seniors as they played an incredible part in laying down the foundation to developing a new program, under Coach Usher and her wonderful staff. We would like to thank the following feeder elementaries for allowing us to greet their students in the morning, Camey, Ethridge and Morningside elementary. We look forward to building great relationships with future Cougars.
